

Terms and Conditions

Hack Cambridge Atlas is a hackathon event taking place from 22nd January 2022 to 23rd January 2022 with both in-person and online components. It will henceforth be referred to as 'the Event' or 'Hack Cambridge Atlas'.

The Organisers of Hack Cambridge Atlas, henceforth referred to as 'the Organisers' in this T&C, refer to any or all of the individuals involved with organising the Event in any capacity.

'Terms and Conditions' or 'Agreement' will refer to these Terms and Conditions, including all of their provisions.

Admittance

Your **registration, RSVP, fully-vaccinated status (or exemption) AND a negative result for a Covid-19 test** taken within 24 hours of the event entitles you to admittance to the in-person Hack Cambridge Atlas event. Rather than using COVID Pass, we require a text or email notification of your test from NHS Test and Trace as a condition of entry*.

Registration opens at 0900 GMT on Saturday the 22nd of January. We require you to have taken a negative PCR or rapid lateral flow test within 24 hours of the event. As our event is >30 hours long, we will not accept tests taken on Thursday, even if they are within 48 hours of registration. The Government advises that "to strengthen the protection testing provides you should take tests as late as possible before attending the event, ideally within 12 hours".

Fully-vaccinated status means that you are vaccinated with the full course of an approved vaccine (or one of the single-dose Janssen vaccine). By attending our in-person event you declare that you do meet the criteria outlined above. The vaccines approved in the UK can be found on the government website: <https://www.gov.uk/guidance/countries-with-approved-covid-19-vaccination-programmes-and-proof-of-vaccination>.

We would require you to prepare **at least two sets of lateral flow test kit** (one for entering the event venue and one more as a back-up in case of emergency/if you leave the venue during the event). We would require the result of LFT to be reported to NHS thus your test kits must be the NHS-approved ones. There have been news articles about the shortage of LFTs, thus we would encourage you to prepare the kits in advance - especially if you are arriving in Cambridge very close to the event. You can use the NHS website to find out where to get rapid lateral flow tests.

*You may be exempt from either or both of our COVID requirements. If you declare you are exempt from testing, we will check your NHS COVID Pass.

Any and all other costs associated with your attendance shall be borne solely by you, and Hack Cambridge Atlas shall have no liability for such costs.

Age Requirements

No one under the age of 18 will be admitted.
